It will automatically add video loop and caption. What's more, You can share your video loop to Facebook, Twitter, Instagram and other social networks. Installer: *If you think you're familiar with one of those apps, but it has a feature you're looking for, please let us know in the comments. We'll update the app if needed. — New feature: • Clipboard app You can share your GIF, or text to the clipboard. It's not a drawing app, but your text can be pasted to paint. For example, you can write one-liners for text style or caption, and paste them to the clipboard as a style or caption. This feature works with any app that supports copy/paste. You can even use it to save your favorite 'My ABC' to the clipboard so you can easily use it later. • Sticker Share You can share your favorite stickers to your friends. You can also set text message limit, for example you can share 3 stickers, 2 stickers, 1 sticker, 0 stickers. It's a nice trick for social media users who are afraid that they will accidentally share all their favorite stickers to all their friends. *** A comprehensive list of supported apps: • SUPREME™ Services • Apple Music • WhatsApp • Facebook Messenger • LINE • Instagram • Google Maps • Google+ • Spotify • Twitter • Skype • Telegram • Facebook • Office 365 • Google Drive • Gmail • Google Calendar • Evernote • Dropbox • Pinterest • Toggl • Workflowy • Quip • Miniclip • LinkedIn • Viber •
