Reservoir Dogs is the first video game based on a Quentin Tarantino movie, specifically Reservoir Dogs. It was released in 2006 for Xbox, PlayStation 2, Game Boy Color, and Microsoft Windows. Though the plot was originally to be set in Texas, the game was set in the South California during the time period of the film.

Gameplay Plot Setting Reservoir Dogs takes place in the film's timeline, with the events of the game's story occurring between the movie's time period. **Plot** The game follows a group of criminals named The Mason Brothers, as they seek to rob a restaurant in downtown Los Angeles, California. The game begins with the player playing as One-Eyed Jack and his brother-in-law, Sam. The duo is tasked with defending against The Mason Brothers in order to collect \$1,000,000 to buy a stereo system for their home. **Characters** The Mason Brothers The Mason Brothers are the main characters of the game, who seek to rob an exclusive restaurant in downtown Los Angeles. The brother duo consists of Buddy, who is about a head taller than Sam, and Slick, who is an average height, compared to the Mason Brothers. Buddy is the more violent brother, while Sam is more cautious. **One-Eyed Jack** One-Eyed Jack is the only playable character in the game, and is the only playable character in the game's trailers. He is about six feet tall, and has a head shaved completely to the skin. He is named One-Eyed Jack by the other characters because he is blind in his right eye. Jack is a former crime lord who retired from his position, but he still has his two remaining eyes. It is later revealed that he was the one who sent the Mason Brothers to rob the restaurant, and decides to join them on the heist, despite the reason of his age. **Sam** Sam is the partner of One-Eyed Jack, and is about six feet, three inches tall, with blond hair. Sam is also the more cautious member of the Mason Brothers, as he never gives his heart away for anything. He looks up to his older brother, but also has a fear of heights. **Johnny** Johnny is One-Eyed Jack's trusted right-hand man, and is about five feet tall, with a very slender build. He wears a hat and a bandana, and has a tattoo on his
