Category:Corel Category:Vector graphics editorsJanołów, Zamość County Janów (; ) is a village in the administrative district of Gmina Zamość, within Zamość County, Lublin Voivodeship, in eastern Poland. It lies approximately north-west of Zamość and south-east of the regional capital Lublin. The village has a population of 1,200. References Category:Villages in Zamość CountyCourse instructor: Alexander Kohn, PhD The course focuses on the history and theory of psychology, with an emphasis on the history of American psychology. As part of the class, students will learn about both major theoretical perspectives and major historical figures in American psychology. Students will also become acquainted with the traditions and movements in American psychology and gain exposure to the history of modern psychology. The course is an excellent introduction to the field for students who have little background in the history of psychology. This course is offered through the Institute for Advanced Academic Programs (IAAPP). Click here for more information
