Physical Metallurgy Principles by Reza Abbaschian Lara Abbaschian. The period of the Industrial Revolution was a time when the... but I know someone is looking. LOL. Well I look like shit. Something I can't control. Especially when on a 8+ hour road trip. A person can look their best when not on the road. I'm sure you're in the minority. I don't doubt it. My eyes are just tired. Also the effects of the lack of sleep is doing a lot of messing up. So I'm extra tired in the morning. (Really, I just have low tolerance to dark and low light). I have been reading too so no excuse for that. So as for the complaint about the strip having less care... It's a work in progress. I'll work at making it better. That's the main issue. I'm spending a lot of time working on it. I mean, I'm working on it constantly. I'm thinking of things like having a doctor not say "I really need to charge more because I don't make enough money as it is" so I'm doing my best to try to do my own thing and be more like my father. Also, I should add that if I don't have time to make it better, I won't make it at all. I'm working on a time schedule that's already made for me. I haven't really seen that if I spend more time on it I'll be able to do more of it. But if I don't work on it more often, I won't work on it at all. So this is all just opinion. :) At any rate, thanks for the kind words. I didn't even want to accept this thread but it seemed more fun to say "fuck you" to you rather than "thank you" to your fans. Please don't count this as "kiss my ass" from me. Don't ask me for stickers, shirts, autographs, etc. Sorry. I've got some things to work on right now. Oh, and I don't have to read what some people write. I'm like that about other artists and I really don't have to do it to either you or Peter. Really. I'm not trying to start any trouble and I really don't give a damn. I just don't think it's very nice to sit in judgment of others. Not because
